

*Judith Mayr grew up in Utting am Ammersee and currently lives in Regensburg. She visited the Fachoberschule für Technik in Munich where she reached her Abitur in 2008. In 2011 she received her BSc in Chemistry at the University of Regensburg with the Thesis entitled: "Synthesis, characterization and evaluation of different surfactant free, ionic polymer isomers, forming hydrogels". In 2013 she obtained her MSc degree in Chemistry with the Thesis entitled: "Synthesis and pharmacological evaluation of monomeric and dimeric muscarinic receptor ligands".*

*In her spare time she likes doing aerobic, baking and going out with friends.*
